

ASKERN LITTLEMOOR INFANT ACADEMY

Provision Appeal

We are looking to develop the learning and play opportunities for our school and wonder if you may be able to help? We are looking for donations of things you may no longer want or need. There are also resources we need that you may be able to source easily for us. Please speak directly to a member of staff or drop them in at the school office.

The following list are suggested items we can really make use of:
