October 2025

The first half-term draws to a close!

It has been such a fantastic, busy half term and I would like to thank you all for welcoming me into your community. This half term there have been so many highlights that I would like to share with you and remind you of some upcoming main dates for your diary in November and December.

All of the children have settled so well into their new classes and met new friends. We have also welcomed parents into school on several occasions as well as the elderly clients from Askarne Day Centre.

We would like to thank our families for their generous donations to the Askern Food Bank which were so gratefully received. The children helped pack up the food.

Have a lovely half-term break and we look forward to welcoming your children back to school on **Monday 3rd November**.

Kind regards,
Danielle Snaith, Headteacher

#TEAMLITTLEMOOR

In the summer holidays, areas of our outdoor provision have been renovated!

The outdoor classroom is up and running!

This half term we enjoyed participating in the rugby and football tournaments.

Our Littlemoor Five Non-Negotiables:

1. Children arrive on time ready to learn each day.
2. Children wear their correct school uniform or PE kit.
3. Children bring their book bag and water bottle to school every day.
4. Children read at least 3 times each week.
5. Children to complete their weekly homework.

Working Closely With Our Families

Reception parents attended a reading workshop in September which explained how we teach early reading to the children through Phonics. The workshop also explained the importance of children developing a love of books through a variety of different ways, including bedtime stories.

We value our positive parental relationships with our families at Littlemoor and know how important it is to work in partnership to ensure the best possible outcomes for our children. Recently, a number of families attended our Autumn themed craft session and enjoyed participating in a range of fun activities with their child in the school environment

Governing Body: Are you, or any of your friends or family, interested in becoming a school Governor? Being a Governor can be an extremely rewarding experience and you will develop different transferable skills which is great for your personal development. Please get in touch with the School Office for more information.

ASPIRE

At Littlemoor, we aim for all of our children to develop functional skills for living so each of them is able to lead a fulfilling and substantially independent life. The life skills curriculum is developed to help children think about how to make safe and healthy decisions and make appropriate decisions linked to real life situations. These lessons are important for the children of today, as they grow up into an ever-changing world.

TEACHING AND LEARNING

Here at Littlemoor we are very proud of our curriculum and provision. The children have transitioned very smoothly into their new classes and are building on their previous learning.
