## The Festive Season at Littlemoor

The Family Christmas Craft session was truly brilliant; it really brought a bit of Christmas cheer! It was lovely to see so many families; we value our positive parental relationships with our families and staff always look forward to these events.

The Year 1 and 2 children enjoyed attending the after-school Christmas disco. They partied hard, enjoyed a selection of games and even spent their monies at the tuk shop, working out how much money they had to spend and the change that they would receive!

This half term the Year 1 and 2 children enjoyed a trip to the Cast Theatre to watch Cinderella; our nursery and reception children had a visit from two of Santa Claus' very trusted reindeer, and even the Big Man himself made an appearance!

**Governing Body:** Are you, or any of your friends or family, interested in being a school Governor? Being a Governor can be an extremely rewarding experience and you will develop different transferrable skills which is great for your personal development. Please get in touch with the School Office for more information.

## ASPIRE

Our Year 1 and 2 children performed their Christmas Play to the clients of Askarne Day Centre and it was so well received. The children's elderly friends enjoyed watching the children sing, dance and act. They also enjoyed a mince pie or two.

Our EYFS children thoroughly enjoyed a visit from a local vet, who taught them all about how to care for animals. The visit was both inspiring and engaging, sparking lots of curiosity and discussion. She also kindly donated some fantastic resources, which have allowed us to create an exciting role-play veterinary area for the children to continue their learning.

## TEACHING AND LEARNING

We are delighted to share with you some of the wonderful teaching and learning experiences taking place across Littlemoor Academy. Our children continue to impress us every day with their enthusiasm, curiosity, and growing confidence as learners. We would like to celebrate the fantastic work happening in our classrooms and the dedication of our staff in ensuring every child thrives.
