

ASKERN LITTLEMOOR INFANT ACADEMY

Litter Picking

Dear Parents,

We would like to inform you that on **Monday 26th January**, the Year 2 pupils will be taking part in a **litter picking activity** in the local area surrounding the school. This activity is linked to our **Science learning**, where the children have been exploring how humans can impact the environment. It also supports our work on **caring for and helping the local community**, helping the children to understand the importance of looking after our surroundings.

The children will be supervised at all times, and all necessary equipment will be provided by the school. Please ensure your child comes to school dressed appropriately for the weather and wearing sensible footwear.

If you do not wish for your child to participate then please inform your child's class teacher.

Thank you for your continued support.

Kind regards,

Miss Snaith
Headteacher
