## **Phonics Parents' Join in Session**

Dear Parents,

We are writing to invite you to a **Phonics Parents' Join in Session** which will take place on **Monday 2nd March at 2.30pm in the school hall.**

The purpose of this session is to provide you with important information about the **Year 1 Phonics Screening Check** and to help you support your child confidently at home.

During the session, we will explain:

- What the Phonics Screening Check consists of
- The **expected pass mark** from previous years
- Information about your **child's most recent phonics scores**
- The **resources and strategies** we use in school to support phonics learning
- Practical ways you can help your child at home

You'll have the chance to enjoy a range of fun phonics-based activities with your child, helping you gain a great insight into how they learn at school.

The Phonics Screening Check is an important part of your child's early reading development, and parental support plays a key role in helping children feel confident and prepared. We strongly encourage you to attend this session so that we can work together to support your child's progress.
