

Littlemoor Academy Newsletter

February 2026

This half term has been a super busy and exciting one for everyone! We have thoroughly enjoyed our Skip2Bfit sessions with Dave Gibson, which helped keep us active while having lots of fun. The children also loved taking part in our very own talent show, where they confidently showcased their amazing skills and creativity.

Thank you, as always, for your continued support. We are very proud of everything the children have achieved this half term and look forward to even more exciting learning ahead!

**Kind Regards,
Danielle Snaith
Headteacher**

- **Tuesday 24th March** – *Campsmount Come Dancing rehearsals*
- **Wednesday 25th March** – *Campsmount Come Dancing Show*

TEACHING AND LEARNING

In the classroom, the children have been working extremely hard on their phonics skills, showing great enthusiasm and progress. They are becoming more confident with blending sounds, recognising tricky words, and applying their learning to reading and writing.

UNIFORM EXPECTATIONS

We will continue to uphold expectations for school uniform, including dark grey or black trousers or skirt, white shirt or polo shirt, red sweatshirt, jumper or cardigan, white, grey or black ankle/knee length socks, grey or black tights and practical black shoes.

#TEAMLITTLEMOOR

Each week, a pupil from each class is nominated to receive an award for their great work, positive choices, citizenship and attitude to learning. Our new *Special Mention* certificates are proudly presented to pupils who consistently go above and beyond, showing kindness, effort and resilience.

Learning is fun at Littlemoor

A highlight of this half term was when the children took part in National Birdwatching Week. They learnt about a variety of bird species, their habitats and the importance of caring for wildlife in our local environment. The children thoroughly enjoyed observing birds and discussing what they noticed, before having great fun making their own bird feeders to take home. This hands-on activity encouraged curiosity, creativity and a greater appreciation for nature.

Governing Body: Are you, or any of your friends or family, interested in being a school Governor? Being a Governor can be an extremely rewarding experience and you will develop different transferrable skills which is great for your personal development. Please get in touch with the School Office

ASPIRE

This half term, the children have really enjoyed taking part in their Life Skills lessons. The focus has been on looking after themselves and others, as well as learning about *stranger danger*. Through discussions, stories, and practical activities, the children learned how to keep themselves safe, who they can trust, and how to ask for help when they need it. They explored ways to make safe choices, showed understanding of kindness and care towards others, and demonstrated growing confidence in talking about their feelings and personal safety.

OTHER NEWS

Attendance: Pupils with higher attendance at school achieve better qualifications. We will be working closely with families over the next term to improve attendance rates.

Class	Attendance
Tadpoles	89.2%
Dormice	94.5%
Squirrel	92.9%
Rabbit	93.2%
Badger	95.8%
