## **Early Years Easter Bonnet Competition**

Dear parents,

We are delighted to share that Littlemoor will be celebrating the season with our much-loved **Easter Bonnet Competition**. This special event is open to all children in Nursery and Reception, and we can't wait to see the wonderful creativity that our youngest pupils bring to their designs.

Children are invited to create an Easter bonnet at home, using any materials, themes or ideas that inspire them. Whether their design is colourful, humorous, artistic, nature-themed, or bursting with imaginative decorations, we encourage every child to let their creativity shine. The aim is simply to enjoy the making process and take pride in their finished creation

Completed bonnets should be brought to school on **25th March**, where children will have the opportunity to proudly share their designs with classmates and our judging panel. This is always a joyful occasion, filled with excitement, smiles and a fantastic display of individuality.

A selection of prizes will be awarded for particularly imaginative and eye-catching entries, and we are very much looking forward to seeing the amazing ideas the children come up with. Thank you for supporting this—your enthusiasm helps make it a memorable experience for all.

**Warmest regards,**

**Danielle Goldthorpe
