Tuesday 3rd March 2026

Year 1 and 2 Boiled Egg Competition

Dear parents,

We are excited to announce Littlemoor's first boiled egg competition. All children in years 1 and 2 are invited to design and create their very own decorated boiled egg for the school competition. We encourage children to be as imaginative and creative as possible—whether it's funny, artistic or themed around a favourite story or character.

Please ensure your child brings their completed egg to school on 25th March, ready to share their creation with their peers and the judging panel.

There will be prizes for the most creative designs, so we can't wait to see what the children come up with!

Warmest regards,

Danielle Goldthorpe
