

Littlemoor Academy Newsletter

Dear Parents,

What a wonderful week we've had, celebrating both World Hygiene Day and VE Day. The children thoroughly enjoyed learning about these important events.

To mark VE Day, we were honored to welcome a special visitor who served in the armed forces. They shared their experiences with the children, helping bring history to life and reminding us all of the importance of remembrance and gratitude.

During World Hygiene Day, the children participated in a range of exciting experiments and activities. These helped them to understand how germs spread and why good hygiene habits—such as handwashing—are so important for keeping ourselves and others healthy.

It has been a busy and engaging week, and we are incredibly proud of the enthusiasm and curiosity shown by all of the children.

Thank you, as always, for your continued support.
