

Friday 8<sup>th</sup> May 2026

Dear Parents and Carers,

I am writing to inform you that the school will be closed to pupils on **Friday 22nd May** to allow staff to participate in important training being delivered across our three schools.

As an academy trust, we are permitted to designate in-service training (INSET) days where there is a clear and identified need for whole-school professional development. On this occasion, the training requires full staff participation and therefore necessitates the closure of the school to pupils.

We apologise for any inconvenience this may cause and appreciate that such changes can be disruptive to family arrangements. However, we are confident that this training will contribute positively to the quality of education and the support we provide for pupils.

Thank you, as always, for your ongoing support of our Askern family of schools.

Yours sincerely,
