

ASKERN LITTLEMOOR

20 October 2020

Dear Parents & Carers,

We would just like to confirm that there is one positive Covid-19 case within our staff team at Littlemoor School. Following advice from Public Health England we have closed two bubbles. This involves all F2 children and our KS1 Rabbits Class. Staff and Children involved have been advised to self-isolate for 14 days up to 30th October.

School remains open for our morning and afternoon nursery children and also our Squirrel and Badger Classes.

Parents of children self-isolating are asked to log onto the SeeSaw App which contains details of the children's home learning for the rest of the week. If there are any problems in accessing this provision, please contact School at your earliest convenience. Teachers who are self-isolating will be working from home and will respond to any completed work on SeeSaw.

Teachers will still be contacting you by phone as pre-arranged for your child's progress meeting.

We would like to thank you for your support and understanding during these challenging times and we look forward to welcoming everyone back to Littlemoor on Monday 2nd November.

Please stay safe.

Yours sincerely

Mrs CA Turner
Head Teacher
